HOME OCCUPATIONS WITHIN CITY LIMITS

Business Name: _____

Street Address: _____ Phone: _____

Mailing Address: _____

INTENT: The City of Helena's adopted 1981 Comprehensive Master Plan recognizes the benefits to the community of allowing "home occupations" within residential neighborhoods, subject to specified limitations, which render such occupations compatible with residential uses. The City hereby intends to further such purposes of said Comprehensive Master Plan and to promote the public health, welfare, and safety by means of this Chapter.

LOCATION: Home occupations are permitted use in all districts and zones established by or described in this Title.

DEVELOPMENT STANDARDS: In addition to all other applicable provisions of the Title, home occupations shall also be subject to the following:

- A. Entrance to the space used for the home occupation shall be from within the residence or accessory buildings except when otherwise required by law or other applicable ordinance of the City.
- B. No materials, equipment or articles shall be used, nor shall any activity be conducted, which will be detrimental to the residential use of the residence in which a home occupation is conducted or to surrounding residences, because of noise, vibrations, smoke, dust, odor, interference with radio or television reception, interference with parking at or in front of surrounding residences, or because of any factor which might be reasonably expected to endanger life, health, physical safety or property.
- C. A home occupation including all necessary storage space utilized in conjunction with it, shall not occupy more than forty nine percent (49%) of the total habitable floor area of the residence plus one hundred percent (100%) of accessory buildings located on the premises.
- D. Only those persons who reside in the residence shall be engaged in any home occupation located in that residence or accessory buildings on the premises.
- E. Materials, merchandise, commodities or products shall not be delivered to, or transported from, the residence or accessory buildings in such bulk or quantity as to require delivery or transportation by a commercial motor carrier other than the United States Postal Service, United Parcel Service, or similar carrier. The parking of customer's automobiles shall not occur in a manner or frequency causing disturbance or inconvenience to nearby residents, or so as to necessitate a parking lot for such customers. Any delivery, transportation, parking, or related activity, in any manner contrary to the foregoing, shall be prima facie evidence that the use is a primary business and not a home occupation.
- F. Parking shall be provided for each residence use for a home occupation consistent with the applicable residential provisions of Chapter 22 of this Title. (Two on-site paved parking spaces)
- G. There shall be no window display of materials, merchandise, commodities, or products, nor shall samples of same be displayed outside the residence in regard to any home occupation conducted there.
- H. Any signs placed upon the premises where a home occupation is conducted shall comply with the provisions of Chapter 23 of this Title. (One wall sign, unlighted, not to exceed 2 square feet)

PERMIT: Any home occupation shall comply with business license requirements for the City of Helena.

I, as owner of the above named business hereby certify that my operation on the listed property complies with the above standards. I further certify that my operation complies with any covenants applicable to the property and that if I am not the property owner of record (as in the case of a rental property) that I am conducting the business with the full knowledge and concurrence of the of the owner.
