

**RFP to for Software and Implementation
Services for an Enterprise Resource Planning (ERP) Software
Systems Environment**

Amendment #1 – Posted April 15, 2022

Due Date and Time: Friday, April 29, 2022 by 3:00 pm MT

The City of Helena has extended the RFP proposal due date an additional two weeks.

Due Date and Time: Friday, April 29, 2022 by 3:00 pm MT

Beginning April 15, 2022 - April 29, 2022, potential proposers are welcome to submit a new proposal response and proposers who have already submitted a proposal response will have the opportunity to refine and resubmit their proposal response, should they choose.

Proposals submissions are to be sent to both Tyler Weingartner (tweingartner@helenamt.gov) and Kate Offerdahl – Joyce (Kate.Offerdahl-Joyce@berrydunn.com) on or before April 29, 2022, 3:00pm MT.

Revised RFP Requirements:

- Electronic only submission of proposal will be allowed.
- The City's preference is for a SaaS/Vendor Hosted solution.
- The City anticipates that implementation activities would begin in September 2022.

Respondents are instructed to return a copy of this amendment form signed by an authorized firm agent as part of proposal responses.
