

# Beattie Street Trailhead and Street Improvements

The Beattie Street Trailhead Project includes improvements at the trailhead with the addition of a parking area, and other trailhead amenities. In addition to the trailhead improvements, the dirt portion of Beattie Street will be constructed to City Standards which includes sidewalks, curb gutter, and traffic calming.

- Estimated Start of Construction – April 6
- Estimated End of Construction – End of June to Beginning of July

## THE TRAILHEAD WILL BE CLOSED DURING CONSTRUCTION
