

The Helena Non-Motorized Travel Advisory Council invites you to an inclusive and interdisciplinary walk audit of the Montana/Custer Crossing on **June 15th, 2023 at 2:00pm-3:00pm**.

A walk audit is a structured process to share different ideas and observations. It is used to gather information which can be presented to the decision makers who ultimately will decide which changes to implement.

Please meet at 2:00pm in the Murdochs parking lot (3050 N Montana Ave., Helena, MT, 59601).

A few things to note:

- 1) We will be moving/talking for 1 hour outside, so please wear weather appropriate shoes/clothing.
- 2) If you know anyone who might be an interested party, please invite them! The walk audits are the most useful when we have a diverse, inclusive, interdisciplinary, and engaged group.
- 3) If you have any last-minute questions/get lost, feel free to call Sarah Sandau at (415) 730-7947.

See you all then!
