

Water Rights Memo

Date: May 2022
Subject: Craftsman Village Phase 8 Subdivision
Preliminary Plat
Stahly Engineering Project No. 1706-05122
To: Michael McConnell, Planner
City of Helena
Community Development
316 North Park Avenue
Helena, MT 59623
From: Greg Wirth, PE

Review of the Montana Department of Natural Resources and Conservation (DNRC) Water Right Query System reveals **no** water right associated with the subject property owned by the current property owner, Mark Runkle. The current property owner will retain any and all water rights for the purposes of the entire subdivision and water rights will not transfer with the conveyance of any lots in this proposed subdivision.
