Dear Chris:

This letter is intended to provide notice that the East Helena School District Board of Trustees hereby intends to enter into negotiations with Mountain View Meadows for the purposes of granting utility and access easements. The trustees designate Superintendent Dan Rispens as their representative in the negotiating process.

The intent of the negotiations is to develop a mutually agreeable position for granting of easements through Tract D-1 as shown on a Certificate of Survey recorded under Document Number 3115842.

Upon agreement, easement documentation will be prepared for and presented to the Board of Trustees for execution and granting of the easements.

Sincerely,

Scott A. Walter
